

# Please move cars from the parking lot by 9AM on mornings when plowing is likely\*

---

\* Plowing is likely if it has snowed 2 or more inches or if snow has accumulated due to several days of less snow amounts. Note: sometimes the plow comes earlier than 9 AM so starting your car removal by 8 AM is recommended.

- Whoever owns a car in the parking lot is responsible for moving it.
- Unit Owners are responsible for making sure that whoever is occupying their unit is aware of this and all other Rules.
- Unit Owners are responsible for providing occupants of their unit with a copy of Appendix A – Rules and Regulations of Cobblestone’s Responsible Governance Policies and Procedures document (page 14).
- Unit Owners are responsible for parking violations associated with their unit and will be fined after one warning.
